IMPORTANT SAFETY INSTRUCTIONS

⚠️ WARNING

Read all safety warnings and instructions before using. Failure to follow the warnings and instructions may result in electric shock, fire and/or serious injury.

⚠️ WARNING

TO REDUCE THE RISK OF FIRE, ELECTRIC SHOCK OR INJURY:

» Do not use outdoors or on wet surfaces.
» Do not allow to be used as a toy. Close attention is necessary when used by or near children.
» Do not use for any purpose other than described in this user guide. Use only manufacturer’s recommended attachments.
» Do not charge with damaged Docking Station or plug. If appliance is not working as it should, has been dropped, damaged, left outdoors, or dropped into water, have it repaired by a qualified technician.
» Do not close a door on cord or plug, or pull cord or plug around sharp edges or corners. Do not run appliance over cord or plug. Keep cord or plug away from heated surfaces.
» Do not pull by unplugging cord. To unplug, grasp the charger, not the cord.
» Do not handle charger, contact points, Docking Station, or robot vacuum cleaner with wet hands.
» Do not put any object into openings. Do not use with any opening blocked; keep openings free of dust, lint, hair, and anything that may reduce air flow.
» Keep hair, loose clothing, fingers, and all parts of body away from openings and moving parts.
» Do not use with Filter in place.
» Use only on dry, indoor surfaces.
» Keep appliance on a level surface.
» Do not carry the robot vacuum cleaner while it is running.
» Remove the cords from other corded products out of the area to be cleaned.
» Do not operate the vacuum in a room where an infant or child is sleeping.
» Do not operate the vacuum in a room where there are lit candles or fragile objects on the floor.
» Do not operate the vacuum in a room that has lit candles and/or fragile objects on furniture that the vacuum may accidentally hit or bump.
» Do not allow children to sit on the vacuum.
» Prevent unintentional starting. Ensure the ON/OFF switch is in the OFF position before connecting to battery pack, picking up or carrying the appliance. Do not carry the appliance with your finger on the switch.
» Disconnect the battery pack from the appliance before making any adjustments, changing accessories or storing appliance. Such preventive safety measures reduce the risk of starting the appliance accidentally.
» Recharge only with the charger specified by the manufacturer. A charger that is suitable for one type of battery pack may create a risk of fire when used with another battery pack.
» Do not operate the vacuum in an area where an infant or child is sleeping.
» Do not operate the vacuum in an area where there are lit candles or fragile objects on the floor.
» Do not operate the vacuum in a room that has lit candles and/or fragile objects on furniture that the vacuum may accidentally hit or bump.
» Do not allow children to sit on the vacuum.
» Prevent unintentional starting. Ensure the ON/OFF switch is in the OFF position before connecting to battery pack, picking up or carrying the appliance. Do not carry the appliance with your finger on the switch.
» Disconnect the battery pack from the appliance before making any adjustments, changing accessories or storing appliance. Such preventive safety measures reduce the risk of starting the appliance accidentally.
» Recharge only with the charger specified by the manufacturer. A charger that is suitable for one type of battery pack may create a risk of fire when used with another battery pack.
» Do not operate the vacuum in a room where an infant or child is sleeping.
» Do not operate the vacuum in an area where there are lit candles or fragile objects on the floor.
» Do not operate the vacuum in a room that has lit candles and/or fragile objects on furniture that the vacuum may accidentally hit or bump.
» Do not allow children to sit on the vacuum.
» Prevent unintentional starting. Ensure the ON/OFF switch is in the OFF position before connecting to battery pack, picking up or carrying the appliance. Do not carry the appliance with your finger on the switch.
» Disconnect the battery pack from the appliance before making any adjustments, changing accessories or storing appliance. Such preventive safety measures reduce the risk of starting the appliance accidentally.
» Recharge only with the charger specified by the manufacturer. A charger that is suitable for one type of battery pack may create a risk of fire when used with another battery pack.

SAVE THESE INSTRUCTIONS

This model is for household use only.

⚠️ WARNING

» Plastic film can be dangerous. To avoid danger of suffocation, keep away from children.
» Do not plug in your vacuum cleaner UNTIL you are familiar with all instructions and operating procedures.
» To reduce the risk of electrical shock, turn Power Switch OFF and disconnect polarized plug from electrical outlet BEFORE performing maintenance or troubleshooting checks.
FCC/IC CAUTION Changes or modifications not expressly approved by the party responsible for compliance could void the user’s authority to operate the equipment. This transmitter must not be co-located or operated in conjunction with any other antenna or transmitter. This device complies with Part 15 of FCC Rules and Industry Canada license-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of this device.

NOTE: Standard accessories may vary by model.

Package Contents

- BISSELL® EV675
- Docking Station
- Power Adapter (charger)
- Remote Control (2 AAA batteries included)
- Edge Cleaning Brushes
- Rechargeable Li-Ion Battery (pre-installed)
- Dust Bin (pre-installed)
- Pleated Filter (Located inside Dust Bin)
- Foam Filter (Located inside Dust Bin)
- Cleaning Tool

NOTE: Standard accessories may vary by model.

Getting to Know Your Robot

**WARNING**
Do not plug in your robot until you are familiar with all instructions and operating procedures.

1. Power Switch
2. Start, Stop, & Dock Button
3. Contact Points
   - (for automatic charging)
4. Cliff Sensors
5. Bumper
6. Edge Cleaning Brushes
7. Front Wheel
8. Rear Wheels
9. Dust Bin Release Button
10. Dust Bin (filters inside)
11. Brush Roll
12. DC Port
13. Removable Battery
1

Place the back of Docking Station firmly against a wall. Ensure there are at least 40 inches to one side, 40 inches to the opposing side and no obstructions in front of the Docking Station.

2

Insert the Docking Station power adapter plug into the port on the side of the Docking Station and then plug the other end into the wall outlet. Turn ON the unit’s Power Switch and put on the Docking Station. The first charge will take 4-5 hours.
Setting Up the Remote Control

Pair the Remote to the Robot

**NOTE:** Be sure to install batteries in the remote.

1. While the Power Switch on the side of the robot is OFF, OFF (0), press and hold the play button on the remote for 5 seconds until the clock icon on the display flashes.

2. Continue to hold the play button and turn the robot ON (1).

**NOTE:** The robot will beep three times to indicate that it has successfully paired.

Set the Clock

1. Set the time by pressing the clock button on the Remote Control and holding until the icon flashes on the Remote Control display.

2. Use the directional arrows to set the hour and minute.

3. Press the clock button again to save the time setting.

**NOTE:** The robot will beep once to confirm the time has been saved.

Schedule Cleaning Sessions

**NOTE:** Be sure the clock is set to the correct time before scheduling cleaning sessions.

1. Press the schedule button on the Remote Control. The icon will begin to flash on the Remote Control display.

2. Use the directional arrows to set the hour and minute for your robot to start cleaning.

3. Press the schedule button again to save the schedule setting.

**NOTE:** The robot will beep once to confirm the schedule has been saved.

**NOTE:** To cancel a scheduled cleaning session, press and hold the schedule button on the remote.
Getting Ready to Clean

With Remote Control

**NOTE:** Be sure the Power Switch on the Robot is set to the ON position.

You can change the cleaning pattern of the robot by pressing one of the following buttons:

<table>
<thead>
<tr>
<th>Button</th>
<th>Mode</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>🎉</td>
<td>Auto Mode</td>
<td>Robot will drive in a straight path until it encounters an obstacle and change direction.</td>
</tr>
<tr>
<td>🎫</td>
<td>Spiral Mode</td>
<td>Best for concentrated cleaning.</td>
</tr>
<tr>
<td>🚨</td>
<td>Wall Mode</td>
<td>Best for cleaning along walls and edges.</td>
</tr>
<tr>
<td>🏠</td>
<td>Single Room Mode</td>
<td>Best for cleaning a single room. It’s recommended that you close any doors to contain the robot.</td>
</tr>
<tr>
<td>🎁</td>
<td>Manual Mode</td>
<td>Best for directing the robot to a particular area.</td>
</tr>
<tr>
<td>🏠</td>
<td>Return to Dock</td>
<td>Press to return the robot to the Docking Station.</td>
</tr>
</tbody>
</table>

Without Remote Control

1. Press the Power Switch to the ON (I) position.
2. Press the Start/Stop Button on the top of the robot to start cleaning.
3. When finished, press the Start/Stop Button again to stop the robot.
4. Press the Start/Stop Button twice to return the robot to the Docking Station.
Cleaning the Dust Bin

**WARNING**
To reduce the risk of electric shock, turn Power Switch OFF and disconnect plug from electrical outlet before performing maintenance or troubleshooting checks.

1. Press the button on top of the Dust Bin and pull to remove.

2. Open filter door by pulling both sides apart.

3. Empty the debris from the Dust Bin.

4. Remove the filter cover, followed by the Foam and Pleated Filters.

5. Use the Cleaning Tool to brush the filter cover and filters. **Do not wash the filters.**

6. With filters removed, rinse the Dust Bin with tap water. Ensure Dust Bin is completely dry before re-installing. It is not necessary to wash every time. **Do not machine wash the Dust Bin.**

7. Once clean, reinstall the filters and filter cover, close and push back into the unit.
Clean the Brush Roll

WARNING
To reduce the risk of electric shock, turn Power Switch OFF and disconnect plug from electrical outlet before performing maintenance or troubleshooting checks.

1. Pinch the tabs on the Brush Guard inward and pull to remove.
2. Lift to remove the Brush Roll.
3. Clean the Brush Roll with the Cleaning Tool.
4. Replace the Brush Roll and Brush Guard.

NOTE: The Brush Roll has two different end pieces. Ensure the square-shaped end piece is inserted into the square-shaped port.

Cleaning the Sensors

After repeated use, debris can accumulate on the sensors of the robot and the working efficiency can be reduced.

To ensure the best efficiency, the sensors should be cleaned off periodically by brushing any debris from them.

Before cleaning the sensors, ensure the Power Switch on the robot is in the OFF (0) position.
Replacing the Battery

1. Turn the Power Switch to the OFF position. Use a Phillips-head screwdriver to remove the two screws and battery cover.

2. Remove the battery and disconnect.

3. Connect the new battery and install into battery compartment.

4. Use a Phillips-head screwdriver to replace the battery cover.

**WARNING - DISPOSAL OF BATTERY**
If your robotic vacuum is to be disposed of, the battery should be removed and disposed of properly. For specific battery disposal instructions, please contact RBRC (Rechargeable Battery Recycling Corporation) 1-800-822-8837 or visit www.Call2Recycle.org.
A Phillips-head screwdriver is required for this task.

1. Use a Phillips-head screwdriver to remove the screw. Pull up on the base of the brush.

2. Push the brush directly onto the holder. Replace the screws with a Phillips-head screwdriver.

**NOTE:** After being used for a period of time, the Edge Cleaning Brushes need to be cleaned to work more effectively. Once removed, the Edge Cleaning Brushes can be rinsed or soaked in water. Be sure they are completely dry before returning to the unit.
# Troubleshooting

## WARNING

To reduce the risk of electric shock, turn Power Switch OFF and disconnect plug from electrical outlet before performing maintenance or troubleshooting checks.

Warranty

This warranty gives you specific legal rights, and you may also have other rights which may vary from state to state. If you need additional instruction regarding this warranty or have questions regarding what it may cover, please contact BISSELL® Consumer Care by e-mail or telephone as described below.

Limited One-Year Warranty

Subject to the "EXCEPTIONS AND EXCLUSIONS identified below, upon receipt of the product BISSELL will repair or replace (with new, refurbished, lightly used, or remanufactured components or products), at BISSELL's option, free of charge from the date of purchase by the original purchaser, for one year, any defective or malfunctioning part.

See information below on "If your BISSELL product should require service".

This warranty applies to product used for personal, and not commercial or rental service.

This warranty does not apply to fans or routine maintenance components such as filters, belts or brushes. Damage or malfunction caused by negligence, abuse, neglect, unauthorized repair, or any other use not in accordance with the user guide is not covered. This warranty will only be valid if the product is used in the same country in which it was sold.

BISSELL IS NOT LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY NATURE ASSOCIATED WITH THE USE OF THIS PRODUCT. BISSELL'S LIABILITY WILL NOT EXCEED THE PURCHASE PRICE OF THE PRODUCT.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

*EXCEPTIONS AND EXCLUSIONS FROM THE TERMS OF THE LIMITED WARRANTY

THIS WARRANTY IS EXCLUSIVE AND IN LIEU OF ANY OTHER WARRANTIES, EITHER ORAL OR WRITTEN. ANY IMPLIED WARRANTIES, WHICH MAY ARISE BY OPERATION OF LAW, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE LIMITED TO THE ONE-YEAR DURATION FROM THE DATE OF PURCHASE AS DESCRIBED ABOVE.

Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.

NOTE: Please keep your original sales receipt. It provides proof of date of purchase in the event of a warranty claim.

Service

If your BISSELL® product should require service:
